1. Work hours will be assumed to be 30 hours for normal scheduled maintenance and one third of that (3 hours) will be emergency service. This amount is only for purposes of determining the low bid and is not a guarantee of hours.

2. Materials cost is assumed to be equal to one half of the labor cost. The bid mark up will be applied to this estimated materials cost.

3. The total bid price will be the sum of the estimated labor cost plus the marked up estimated materials cost.

The above estimates are used for the purpose of determining a total bid price. Invoices shall be based on the actual hours by classification worked and actual material costs.
