(8) The individual signing this statement on behalf of the above-named party acknowledges that he/she has read the following provisions of Chapter 7C, Section 38 (formerly Chapter 7, Section 40J) of the General Laws of Massachusetts:

No agreement to rent or to sell real property to or to rent or purchase real property from a public agency, and no renewal or extension of such agreement, shall be valid and no payment shall be made to the lessor or seller of such property unless a statement, signed, under the penalties of perjury, has been filed by the lessor, lessee, seller or purchaser, and in the case of a corporation by a duly authorized officer thereof giving the true names and addresses of all persons who have or will have a direct or indirect beneficial interest in said property with the commissioner of capital asset management and maintenance. The provisions of this section shall not apply to any stockholder of a corporation the stock of which is listed for sale to the general public with the securities and exchange commission, if such stockholder holds less than ten per cent of the outstanding stock entitled to vote at the annual meeting of such corporation. In the case of an agreement to rent property from a public agency where the lessee's interest is held by the organization of unit owners of a leasehold condominium created under chapter one hundred and eighty-three A, and time-shares are created in the leasehold condominium under chapter one hundred and eighty-three B, the provisions of this section shall not apply to an owner of a time-share in the leasehold condominium who (i) acquires the time-share on or after a bona fide arms length transfer of such time-share made after the rental agreement with the public agency is executed and (ii) who holds less than three percent of the votes entitled to vote at the annual meeting of such organization of unit owners. A disclosure statement shall also be made in writing, under penalty of perjury, during the term of a rental agreement in case of any change of interest in such property, as provided for above, within thirty days of such change.

Any official elected to public office in the commonwealth, or any employee of the division of capital asset management and maintenance disclosing beneficial interest in real property pursuant to this section, shall identify his position as part of the disclosure statement. The commissioner shall notify the state ethics commission of such names, and shall make copies of any and all disclosure statements received available to the state ethics commission upon request.

The commissioner shall keep a copy of each disclosure statement received available for public inspection during regular business hours.

(9) This Disclosure Statement is hereby signed under penalties of perjury.
Attachment F

Purchase Order Terms and Conditions

This purchase order issued by the County of Barnstable (hereinafter “County”) and the attached description of product/services to be provided and price quote submitted by the supplier/contractor/consultant named in this purchase order (hereinafter “vendor”) shall constitute the contract between the County and the vendor. This purchase order, description of product/services and price quote constitute the entire agreement between the parties (hereinafter “contract”) and there are no contracts other than those incorporated herein. In the instance of the purchase order resulting from a state contract or intergovernmental collaborative bid, the terms and conditions of that bid and/or contract will apply, and the terms stated herein shall be supplemental to those terms. The contract may not be changed, altered, amended, modified, or terminated orally and any such change, alteration, amendment, or modification must be in writing and executed by the parties hereto.

FOR AND IN CONSIDERATION of the payments by the County and delivery of the product/services by the vendor, the VENDOR hereby agrees to provide the product and/or services and the County agrees to pay the contract price in accordance with the terms of this contract.

1. ACCEPTANCE: The Contractor, by accepting this contract, agrees to all the conditions and terms specified herein, on attachments hereto, on the reverse hereof, and on any bid inquiry that may have preceded this award. Direct all correspondence relative to this contract to the Barnstable County, Purchasing Department, Barnstable, MA 02630.

2. SHIP TO: To ensure that delivery is made to the correct location, please address all shipments as noted on the face of this order. All correspondence, packages, and invoices must indicate the purchase order number, departmental name, and delivery address as indicated on this order.

3. DELIVERY: Deliveries shall be strictly in accordance with the schedule set out or referred to in the order and in exact quantities ordered. Notwithstanding the foregoing, Contractor shall not be liable for delay in delivery due to causes beyond Contractor's control and without Contractor's fault or negligence, provided Contractor exercises due diligence in promptly notifying County of conditions which will result in delay, and provided further, if Contractor's delay is caused by the default of a subcontractor or supplier, such default arises out of causes beyond the control of both Contractor and subcontractor or supplier, and without the fault or negligence of either of them, and the supplies or services to be furnished by the subcontractor or supplier were not obtainable from other sources in sufficient time to permit Contractor to meet the required delivery schedule.

4. INSPECTION OF GOODS: The County shall have a reasonable time after delivery to inspect the goods delivered or services rendered under this contract and to reject or revoke acceptance of any not conforming with the terms of this agreement. Rejected goods will be returned to Contractor at Contractor's expense. Rejected services will be reworked and all costs associated with the rework will be charged to Contractor.

5. SUBSTITUTION OF GOODS: Goods not conforming with this contract will not be accepted. The County must approve, in writing, any substitution of non-conforming goods prior to shipment.

6. MATERIAL SAFETY DATA SHEETS: Contractor shall submit a Material Safety Data Sheet (MSDS) for each toxic or hazardous substance or mixture containing such substance (pursuant to M.G.L. C.11 IF s 8.9 and 10 and the regulations contained in 441 OMR a 21.06) that is shipped against this order.

7. CONTRACTOR'S WARRANTY: Contractor herein warrants and covenants that the subject merchandise complies with all applicable federal, state and local statues, rules and regulations for the installation and use of said merchandise for the purpose for which said merchandise is being purchased or rented.

8. PAYMENT: All invoices must be submitted to the BILL TO ADDRESS referenced on the front of this purchase order and must indicate the County's purchase order number and the name of the department listed in the SHIP TO ATTENTION line. Note that in order to effect payment, a W-8 or W-9 form, as appropriate, executed by the Contractor, which reflects the Contractor's current legal and remittance address or addresses, must be on file at the county. Payment shall be made in accordance with M.G.L. C.29, s.29c and 815 CMR 4.00.

9. DEFAULT: In the event of default by Contractor, including failure to deliver any item ordered within a reasonable time after acceptance of this contract, or if the County rightfully rejects the goods or services or revokes acceptance. The County may without waiving any other remedy permitted by law, make covering purchases of goods or services and hold Contractor liable for all additional costs incurred. Further, in such event, the County, at its option, may be relieved of any duty to accept such items as are subsequently delivered pursuant to this contract.

10. If this contract does not agree with Contractor's quotation, contact the County before performance begins. Prior to performance, the County may require additional information from the Contractor in order to ensure that the firm is qualified, and that the product or service offered will meet the need for which it is intended.

11. FORCE MAJEURE: The Contract shall be subject to Force Majeure considerations. Either party hereto shall be excused from performance of any act under the contract if prevented from the performance of any act required by reasons of strikes, lockouts, labor trouble, inability to procure materials, failure of power, fire, winds, Acts of God, riots, insurrection, or other reason of a like nature not reasonably within the control of the party. The period for the performance of such obligation shall be extended for an equivalent period for no additional cost. Continued prevention from performance by such causes for periods aggregating sixty (60) or more days shall be deemed to render performance impossible, and either party shall thereafter have the right to terminate this contract.

12. TERMINATION OF CONTRACT: Unless excused from performance by Force Majeure, if the Vendor shall fail to fulfill in a timely and satisfactory manner its obligations under this contract, or if the Vendor shall violate any of the covenants, conditions, or stipulations of this contract, which failure or violation shall continue for seven (7) business days after written notice of such failure or violation is received by the vendor, then the County shall thereupon have the right to terminate this contract by giving written notice to the vendor of such termination and specifying the effective date thereof, at least seven (7) days before the effective date of such termination. Additionally, the County, by written notice, may terminate this contract, in whole or in part, when it is in the County’s best interest. If this contract is terminated, the County shall be liable only for payment under the payment provisions of this contract for services or goods received before the effective date of termination.

13. GOVERNING LAW: This contract is governed by the laws of the Commonwealth of Massachusetts.

14. INSURANCE: If the contract requires the vendor to perform work on County property, no work shall be performed by vendor under this contract on County property unless and until vendor submits a certificate of insurance naming the County of Barnstable as an additional insured in full compliance with the County’s insurance policies for liability, property damage and workmen’s compensation as required. Email certification to Purchasing Division purchasing@barnstablecounty.org. Insurance is to remain current during performance of this contract.

15. INDEMNIFICATION: The Vendor shall indemnify, defend and hold harmless the County, its elected or duly appointed officers, and employees against liability, losses, damages or expenses (including legal expenses) resulting from any claim based upon breach of this contract or negligent or intentional misdeeds or omission of the Vendor, its employees or its agents in providing its service(s) to the County pursuant to the Contract.

16. TAX EXEMPT: The County is exempt from Federal Excise Tax, including Transportation Tax, and will furnish properly executed tax exemption certificates when called upon to do so. The County is also exempt from Massachusetts Sales Tax.

17. NON-DISCRIMINATION: The Contractor agrees to comply with all applicable Federal and State statutes, rules and regulations prohibiting discrimination in employment.

18. STATE TAX - M.G.L. C.62C, s.49A and C. 15 IA, s. 19A: Each Contractor must certify under penalties of perjury that they have filed all state returns and paid all state taxes as required under law.

This Purchase Order in its entirety constitutes a written contract with the County of Barnstable pursuant to the provision of Chapter 30B, Subsection (a) as amended by 2013, 38, Section 49 effective July 1, 2013.

The terms of this contract cannot be modified, altered, or changed without the specific written approval of the County.

ARTICLE II: PREMISES; NET USABLE AREA

2.1 Premises

Landlord does hereby demise and lease unto Tenant those premises (hereinafter called "the Premises") described in Section 1.1 and shown in Exhibit D annexed hereto.

Tenant shall have, as appurtenant to the Premises, the right to use all stairs and halls for access to the Premises; sidewalks; parking facilities as described in Exhibit A; any common entrances, lobbies, toilet facilities, elevators and loading platforms, and also pipes, ducts, conduits, wires, and equipment serving both the Premises and other parts of the Building.

2.2 Net Usable Area

For the purposes of this Lease, the term "Net Usable Area" shall mean that portion of the building to be assigned for the sole and exclusive use of the User Agency. Net Usable Area shall be measured from the predominant inside finish of the permanent outside walls (not from the inside face of the windows) to the interior side of corridors or permanent partitions, and from the center line of partitions to adjacent assigned space. Deductions will not be made for columns and projections necessary to the building or for partitions subdividing the Premises. Under no circumstances shall the Net Usable Area include elevator shafts, vestibules, stair enclosures, building equipment rooms, electrical/mechanical closets, or restrooms. Further it shall not include any corridors, elevator lobbies or other spaces that are outside of the area exclusively controlled and secured by the User Agency. This definition of Net Usable Area shall apply regardless of whether Barnstable County is the sole tenant on the floor or in the building.

ARTICLE III: RENT; DATE OF OCCUPANCY

3.1 Rent Payment

Tenant agrees to pay, and the Landlord to accept, the Rent described in Section 1.1. Monthly installments of Rent shall be payable in arrears, on or within twenty-one (21) days after either (a) the first day of the subsequent month or (b) the submission by Landlord to Tenant of a properly completed invoice for the previous month, whichever date is later, prorated with respect to any fractional month during the Term.

3.2 Date of Occupancy; Commencement of Rent

The obligation of the Tenant to pay rent shall begin on the Date of Occupancy. The Date of Occupancy shall be the earlier of (a) the twenty-first (21st) day after the Premises are available for Tenant's occupancy, or (b) the day the Tenant actually takes possession and begins to use the Premises for the operation of its business. The Premises shall be deemed available for Tenant's occupancy when (i) Landlord has substantially completed all improvements to the Premises as required by Section 4.1 hereof, with only so-called "punchlist items" excepted, and (ii) Tenant has received a copy of the Certificate of Occupancy, and a Certificate of Completion issued by the Project Architect; provided, however, that the Date of Occupancy shall not be deemed to have occurred prior to the Completion Date set forth in Section 4.1 unless Tenant has actually taken possession of the Premises prior to said date. Tenant agrees to execute a letter to the Landlord confirming the Date of Occupancy, once it has occurred.

3.3 Tenant's Entry Prior to Term Without Charge

Tenant may enter the Premises prior to the Date of Occupancy without payment of any additional sums in order to install telephone equipment, furniture, and fixtures, and to otherwise prepare the Premises for occupancy by Tenant. In order to assist the Tenant with its preparation, the Landlord shall make available to the Tenant without charge the services of the Landlord's on-site employees or agents for the purpose of giving advice regarding the structures and facilities of the Building. These services shall be rendered when requested by the Tenant and the person(s) responsible for rendering these services shall be prepared to do so no later than five (5) days following the execution of the Lease and thereafter during the term of the Lease.

ARTICLE IV: IMPROVEMENTS BY LANDLORD

4.1 Improvement Work; Construction Schedule
ARTICLE V: LANDLORD'S COVENANTS

5.1 Ownership and Title

The Landlord warrants and represents that it is the owner of the Building in which the Premises are located.

5.2 Delivery of Premises; Compliance with Statute

The Landlord warrants that it shall deliver the Premises to Tenant in good, clean and rentable condition, and that the construction of the Premises and the Building and the use of the Premises for the purposes described herein shall be in full compliance with all applicable overleases, laws, ordinances, codes, and regulations, including those pertaining to handicapped accessibility, of public authorities and insurance rating bureaus having jurisdiction.

If at any time any public authority or insurance rating bureau having jurisdiction shall complain that the Premises or the Building is not constructed in compliance with any applicable law, ordinance, code, or regulation, and shall request compliance, and if failure to comply shall in any way affect the use of the Premises by the Tenant or affect any other right of the Tenant under this Lease, or impose any obligation upon the Tenant, then Landlord shall, upon receipt of notice of such complaint, cause such repairs, alterations or other work to be done so as to bring about the compliance requested. If, by any reason of such failure of compliance or by reason of such repairs, alterations or other work done by Landlord, Tenant shall be deprived of the use or quiet enjoyment of the whole or any part of the Premises, the rent shall be abated on a per diem basis in proportion to the deprivation.

5.3 Quiet Enjoyment

The Landlord hereby warrants and covenants that Tenant shall have peaceful and quiet use and possession of the Premises without hindrance or interruption on the part of the Landlord, or by any other person(s) for whose actions the Landlord is legally responsible, or by any person claiming by, through or under Landlord, except as herein provided.

The Landlord or its agents may, at reasonable times and without interfering with Tenant's business operations, enter the Premises to make repairs or to view the Premises. Landlord shall give Tenant a minimum of twenty-four (24) hours notice for such visits, provided however that Landlord may enter the Premises at any hour and without twenty-four (24) hours notice in the case of an emergency affecting the Premises or the Building.

Landlord may enter to show the Premises to prospective tenants only during the last six (6) months of the Term of the Lease, and to prospective purchasers only after a minimum of twenty-four (24) hours notice to Tenant.

5.4 Delivery of Utilities; Maintenance and Repairs; Other Services

Landlord, at its own expense, shall provide all services described in Exhibit F, during the hours of operation stated therein.

ARTICLE VI: TENANT'S COVENANTS

6.1 Use of Premises

Tenant shall use the Premises only for proper business purposes. Tenant shall keep the Premises in good order, reasonable wear and tear and damage by fire excepted, and shall not commit or permit Tenant's servants, agents or invitees to commit waste to the Premises.

6.2 Compliance With Applicable Laws and Removal of Liens

Tenant shall comply with all laws, orders and regulations of Federal, State, County, and City authorities and with any Landlord's rules and regulations which may be set forth in this Lease, all of which are applicable to Tenant's use of the Premises. Tenant may defer compliance so long as the validity of any such law, order or regulation shall be contested in good faith by Tenant and by appropriate legal proceedings, if Tenant first gives Landlord appropriate assurance reasonably satisfactory to Landlord, against any loss, cost or expense on account thereof, and provided such contest shall not subject Landlord to criminal penalties or civil sanctions, loss of property or civil liability. Tenant shall not cause or allow any liens of any kind to be filed against the Premises or the Building. If any liens are so filed, then Tenant shall within fifteen (15)
days after receiving written notice of such lien, at its sole cost and expense take whatever action is necessary to commence
the satisfaction and discharge of such lien or the release of such lien by bond.

6.3 Assignment and Subleasing

Tenant shall not assign, sublet, underlet, mortgage, pledge or encumber (collectively referred to as "Transfer") this Lease
without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.
Landlord understands and agrees that the use or occupation of all or part of the Premises by an agency of county
government other than the User Agency named in Section 1.1 or the transfer of the Premises from the supervision and
jurisdiction of the User Agency named in Section 1.1 to another agency of county government shall not be a transfer
requiring Landlord's prior written consent, provided that the Premises continue to be used only for the purposes specified in
Section 6.1.

Consent by Landlord, whether express or implied, to any Transfer shall not constitute a waiver of Landlord's right to
prohibit any subsequent Transfer; nor shall such consent be deemed a waiver of Landlord's right to terminate this Lease
upon any subsequent Transfer.

As used herein, the term "assign" or "assignment" shall be deemed to include, without limitation, any transfer of the
Tenant's interest in the Lease by operation of law.

6.4 Installation, Alterations and Additions; Tenant's Property

The Tenant may make structural or non-structural alterations or additions to the Premises, provided however that in the
case of structural alterations, Tenant shall first obtain the Landlord's prior written consent thereto, which consent shall not
be unreasonably withheld, conditioned or delayed. All such allowed alterations or additions shall be at the Tenant's
expense and shall in be quality at least equal to the present construction. Tenant shall not permit any mechanic's liens or
similar liens to remain upon the Premises for labor and materials furnished to Tenant in connection with work of any
character performed at the direction of the Tenant and shall cause any such lien to be released of record without cost to
Landlord.

All alterations and additions made by Tenant shall remain the exclusive property of the Tenant. The Tenant may at any
time, at its sole option, remove any such alteration or addition and restore the Premises to the same conditions as prior to
such alteration or addition, reasonable wear and tear and damage by fire or other casualty only excepted.

6.5 Self Help; Waiver; Cumulative Remedies

If Landlord shall default in the performance or observance of any obligation, agreement or condition of this Lease, or shall
default in the payment of any tax or other charge which shall be a lien upon the Premises or in the payment of any
installment of principal or interest upon any mortgage which shall be prior in lien to the lien of this Lease, and if Landlor d
shall not cure such default within thirty (30) days after written notice from Tenant specifying the default, (or, if the default
is of such a nature that it cannot be cured within this thirty-day period, shall not within this period commence to cure such
default and thereafter prosecute the curing of such default to completion with due diligence), Tenant may, at its sole option
and without waiving or limiting any claim for damages, at any time thereafter cure such default for the account of the
Landlord. Any amount paid or any contractual liability incurred by Tenant in so doing shall be deemed paid or incurred for
the account of Landlord and Landlord agrees to reimburse Tenant therefore or save Tenant harmless therefrom, provided
that Tenant may cure any such default as aforesaid prior to the expiration of the waiting period described above (but after
the notice to Landlord) if the curing of such default prior to the expiration of the waiting period is reasonably necessary to
protect the Building or the Premises or Tenant's interest therein or to prevent injury or damage to persons or property. If
Landlord shall fail to reimburse Tenant upon demand for any amount paid for the account of Landlord hereunder, the
amount may be deducted by Tenant from the next or any succeeding payments of Rent due hereunder.

The remedies given tenant hereunder are cumulative and are not intended to be exclusive of any other remedies or means
of redress to which it may be lawfully entitled in case of any breach by Landlord of any provisions of this Lease.

6.6 Yield Up at Termination of Lease

Tenant shall at the expiration or other termination of this Lease remove all Tenant's effects from the Premises. Tenant shall
deliver the Premises to Landlord in the condition in which Tenant is required to maintain the same as set forth in this
Lease, reasonable wear and tear excepted and fire and other casualty excepted.
ARTICLE VII: CASUALTY; EMINENT DOMAIN

7.1 Casualty Loss; Taking by Eminent Domain

If a substantial part of the Building shall be destroyed or damaged by fire or other casualty and the Landlord does not intend to restore the Building substantially to its former use and dimensions, or if a substantial part of the Building shall be taken for any public or quasi-public use under governmental law or by right of eminent domain and the taking would materially interfere with the use of the Building or Premises for the purposes for which it is then being used, then this Lease shall terminate at the election of Landlord (which election may be made notwithstanding that Landlord's entire interest may have been divested). Tenant may also elect to terminate this Lease if a taking by eminent domain or otherwise renders the Premises unfit or insufficient for Tenant's use or if a taking or casualty shall be so extensive that restoration or repair cannot, in Tenant's reasonable estimation, be effected within sixty (60) days from the date of such taking or casualty, or if the Landlord, having commenced such repair and restoration, does not complete the work within such time period. Landlord will notify Tenant of Landlord's decision to terminate this Lease or to restore the Premises within thirty (30) days after the occurrence or any event giving rise to Landlord's right to terminate or restore, and Tenant will notify Landlord of Tenant's election to terminate this Lease within thirty (30) days after the event giving rise to its right to terminate. Any such termination shall be effective thirty (30) days after the date of notice thereof.

If any part of the Building is damaged by fire or other casualty or is taken by a public authority and this Lease is not terminated by Landlord or Tenant as provided above, Landlord shall proceed with reasonable diligence to repair and restore the Premises and the Building, or what remains thereof in the case of a partial taking, to their condition prior to such damage, destruction, or taking.

If any destruction, damage or taking renders any part of the Premises unfit for use and occupation, prevents normal access to the Premises, or interferes with the supply of normal Building services to the Premises, a just proportion of the rent (and any additional rent), according to the nature and extent of the injury, shall be abated until the Premises (or, in the case that a partial taking, what remains thereof) shall have been put in proper condition for use and occupation and normal access and building services have been restored. Tenant shall receive a permanent abatement of rent (and additional rent) to the extent that any portion of the Premises cannot be so used and occupied for the balance of the term of this Lease.

Landlord reserves all rights to damages to the Premises and Building by reason of anything lawfully done in pursuance of any public or other authority, and by way of confirmation Tenant grants to Landlord all of Tenant's rights to such damages and covenants to execute and deliver such further instruments of assignment thereof as Landlord may from time to time request, provided however, that Tenant reserves for itself any award specifically reimbursing Tenant for moving or relocation expenses and any other award the payment of which does not diminish the amounts otherwise payable to the Landlord. Tenant shall further be entitled to share in the award proportionately to the unamortized value of any property of Tenant (including without limitation its leasehold estate) affected by any such taking.

ARTICLE VIII: INDEMNIFICATION AND INSURANCE

8.1 Indemnification of Tenant by Landlord

This indemnity and hold harmless agreement shall include indemnity against all costs, expenses, and liabilities incurred in connection with any such injury, loss or damage or any such claim, or any proceeding brought thereon or in defense thereof.

8.2 Insurance Coverage to be Maintained by Landlord

At all times subsequent to the Occupancy Date and during the full term of this Lease, Landlord shall at its sole cost and expense maintain with respect to the Building, Premises and appurtenant areas comprehensive public liability insurance with a so-called broad from endorsement. Such insurance shall name Landlord and Tenant as insured, and shall have a combined single limit of not less than $1,000,000 for bodily injury and for property damage, and an annual aggregate limit of not less than $3,000,000. Landlord shall also maintain hazard insurance upon the Building insuring against loss or damage by fire and other risks which are customarily comprehended by the term "extended coverage" in endorsements to
The Landlord shall deposit with the Tenant Certificates of Insurance that it is required to maintain under this Lease, at or prior to the Date of Occupancy, and thereafter, within ten (10) days of any renewal date therefor, in each case providing that the policies may not be changed or cancelled without at least twenty (20) days prior written notice to the Tenant.

8.3 Tenant's Self-Insurance

Landlord and Tenant acknowledge and agree that Tenant is self-insured and that Tenant is not required by this Agreement to procure or maintain insurance of any kind for payment of damages to the Landlord or any other party. All issues regarding insurance and Tenant's liability for damages shall be governed by the provisions of M.G.L. Chapter 258.

Tenant covenants and agrees that Tenant will not do or permit anything to be done in or upon the Premises, or bring in anything or keep anything therein, which shall increase the rate of insurance on the Premises or the Building above the standard rate applicable to the Premises hereby occupied for the use to which Tenant has agreed to devote the Premises, or which shall void such insurance. Tenant further agrees that, in the event Tenant shall do any of the foregoing, Tenant shall promptly pay to Landlord, on demand, any such increase resulting therefrom, which shall be due and payable as additional rent hereunder or Tenant shall cease activities which cause the voiding of the insurance as the case may be.

ARTICLE IX: DEFAULT

9.1 Event of Default by Tenant

If Tenant fails to pay the Rent as required hereunder and does not cure such failure within ten (10) days after written notice from Landlord, then it shall be an event of default by Tenant. If Tenant fails to fulfill any other covenant or obligation under this Lease and does not cure such failure within thirty (30) days after receiving written notice from Landlord specifying such failure (or, for those failures of obligation or covenant which are incapable of being cured within such thirty (30) day period, if Tenant has failed to commence such cure and thereafter diligently pursued such cure to completion) then, in any such event, it shall be an event of default by Tenant.

9.2 Remedies of Landlord

In the event of a default by Tenant, except as defined in Section 10.10, Landlord shall have the right to terminate this Lease, upon sixty (60) days written notice to Tenant. Tenant shall have the right to cure any nonpayment of rent default within this sixty (60) day period. If Tenant fails to cure such default, Tenant shall be required to comply with the provisions of Section 6.6 upon and after such termination date.

Upon termination of this Lease pursuant to this Section 9.2, Tenant shall pay to Landlord the Rent payable by Tenant to Landlord up to the time of such termination, and Tenant shall remain liable for any breach of covenant precedent to that date of termination. In addition, Tenant shall be liable to pay Landlord as damages the aggregate of the Rent remaining in the term for the period commencing with the date of termination and ending on the original Termination Date of the Lease as set forth in Section 1.1, except in the case of nonpayment due to any fault on the part of the Landlord. The Landlord shall be required to take all reasonable action to mitigate such damages including making reasonable efforts to relet the Premises. Without limiting the foregoing, in the event Landlord shall relet the Premises during such time period, Landlord shall credit Tenant with the "net rents" received by Landlord from such reletting, in the manner described herein. "Net rents" shall be determined by first deducting from the gross rents, as and when received by Landlord from such reletting, the reasonable expenses incurred or paid by Landlord in terminating this Lease, but not including the expenses of reletting, it being understood that any such reletting may be for a period equal to, or shorter or longer than the remaining term of this Lease. In no event shall Tenant be entitled to receive any excess of such net rents over the sums payable by Tenant to Landlord hereunder.

9.3 Event of Default by Landlord
In the event Landlord breaches any of Landlord's covenants, agreements, conditions, or warranties in this Lease, which breach remains uncured after thirty (30) days written notice from Tenant specifying such breach (or, for those failures of obligation or covenant which are incapable of being cured within such thirty (30) day period, if Landlord has failed to commence such cure and thereafter diligently pursued such cure to completion) it shall be an event of default by Landlord.

9.4 Remedies of Tenant

Such instruments shall not be void for want of consideration.

Tenant may request Landlord to extend the term of this Lease for the same rent and on the same terms and conditions provided in the Lease by giving at least thirty (30) days prior written notice thereof to Landlord, no sooner than six (6) months prior to the expiration date of the Lease. In the event Landlord agrees to such extension, the parties shall execute an amendment to this Lease which shall extend the term of the Lease upon the same terms and conditions herein.

10.2 Additional Space; Additional Services

If the Tenant requires additional space during the term of this Lease, the Landlord may furnish such space as is required by the Tenant, if available in the Building, provided that the rental price per square foot of the additional space shall not exceed the price per square foot for the Premises. The additional space shall be subject to all of the provisions hereof. The term of Lease of such additional space shall be concurrent with the balance of the period covered by this Lease provided that such space shall not be added until this Lease is amended in writing and approved as required by law. The Landlord shall also, during the remaining term of the Lease as amended, perform all maintenance and repair work specified herein.

No improvements to the Premises, or to any additional space, beyond the work described in the working drawings approved pursuant to Section 4.1 may be undertaken by Landlord before or during the Term of this Lease, unless and until this Lease is amended in writing and approved as required by law.

10.3 Holding Over

If Tenant or anyone claiming under Tenant shall remain in possession of the Premises or any part thereof after the expiration of the term hereof, without any agreement in writing between Landlord and Tenant with respect thereto, prior to acceptance of rent by Landlord, the person remaining in possession shall be deemed a tenant at sufferance. After acceptance of rent by Landlord the person remaining in possession shall be deemed a tenant from month-to-month, subject to the provisions of this Lease insofar as the same may be made applicable to a tenant from month-to-month.

10.4 Subordination

Tenant agrees that upon request of Landlord in writing Tenant will subordinate this Lease and the lien thereof to the lien of any future mortgage or mortgages upon the Premises held by a bank, insurance company or other financial institution, provided that the holder of such mortgage or mortgages shall enter a recordable agreement with Tenant that in the event of foreclosure or other action taken under the mortgage by the holder or any assignee or successor in interest, this Lease and the rights of Tenant hereunder shall continue in full force and effect and shall not be terminated and Tenant's rights hereunder shall not be disturbed except in accordance with the provisions of this Lease. Tenant agrees that it will, upon the request of Landlord, execute, acknowledge and deliver any and all instruments necessary or desirable to give effect to or notice of such subordination. The word "mortgage" as used herein includes mortgages, deeds of trust and all similar instruments, and all modifications, extensions, renewals and replacements thereof.
10.5  **Severability**

10.6  **Force Majeure**

In any case where either party hereto is required to do any Act, delays caused by or resulting from war, fire, flood or other casualty, unusual regulations, unusually severe weather, or other causes beyond such party's reasonable control (such as in the case of Tenant, any delay in the payment of Rent caused by a department, executive or legislative branch of County government) shall not be counted in determining the time during which such Act shall be completed, whether such time be designated by a fixed date, a fixed time or "a reasonable time," and such time shall be deemed to be extended by the period of the delay.

10.7  **Binding Agreement; Covenants and Agreements; Governing Law; Personal Liability**

This Lease shall bind and inure to the benefit of the parties hereto and their respective representatives, successors and assigns. All covenants, agreements, terms and conditions of this Lease shall be construed as covenants running with the land. This Lease contains the entire agreement of the parties and may not be changed or modified except by a written instrument in accordance with the provisions herein. This Lease shall be governed by the laws of the Commonwealth of Massachusetts. The provisions of those laws shall not be deemed waived by any provision of this Lease.

The failure of either party to seek redress for violation or to insist upon the strict performance of any covenant or condition of this Lease shall not prevent a subsequent act, which would have originally constituted a violation, from having all the force and effect of a violation. No provision of this Lease shall be deemed to have been waived by either party unless such waiver to be in writing and signed by the party to be bound thereby.

No mention in this Lease of any specific right or remedy shall preclude Landlord or Tenant from exercising any other right, or from having any other remedy, or from maintaining any action to which it may otherwise be entitled either in law or in equity.

No official, employee or consultant of Barnstable County shall be personally liable to the Landlord or any partner thereof, or any successor in interest or person claiming through or under the Landlord or any such partner, in the event of any default or breach, or for or on account for any amount which may be or become due, or on any claim, cause or obligation whatsoever under the terms of this Lease or any amendment or extension entered into pursuant hereto.

10.8  **Tenant's Estoppel**

Upon request and with twenty-one (21) days prior written notice from Landlord or Landlord's mortgagee, Tenant shall execute, acknowledge and deliver a written statement certifying that this Lease is in full force and effect subject only to such modifications as may be set out; and that Tenant is in possession of the Premises and is paying rent as provided in this Lease; and that there are no uncured defaults on the part of Landlord, or specifying such defaults if they are claimed. Any such statement may be relied upon by any prospective transferee or mortgagee of all or any portion of the Building, or any assignee of any such persons. If Tenant fails to deliver such statement in a timely manner, Tenant shall be deemed to have acknowledged that this Lease is in full force and effect, without modification except as may be represented by Landlord, and that there are no uncured defaults in Landlord's performance.

10.9  **Notice**

Any notice from Landlord to Tenant relating to the Premises or to the occupancy thereof shall in writing and shall be deemed duly served when mailed by registered or certified mail, postage prepaid, addressed to Barnstable County at the Superior Court House, Barnstable, MA 02630 with a copy to the User Agency at the Premises, or at such other addresses as Tenant may from time to time designate by notice to Landlord.

10.10 Fiscal Year Appropriation

Appropriations for expenditures by agencies of Barnstable County, and authorizations to spend for particular purposes, are made on a fiscal year basis. The fiscal year of the County is the twelve-month period ending June 30 of each year. The obligations of the Tenant under this Lease, or under any amendment to or extension of this Lease, for any fiscal year, are subject to the appropriation of funds to the User Agency sufficient to discharge the Tenant's obligations under this lease which accrue in that fiscal year, and an authorization to spend such funds for the purposes of this Lease. Prior to the commencement of each fiscal year during the term of this lease, the User Agency shall use its best efforts to secure an appropriation and authorization to spend funds in an amount sufficient to discharge Tenant's obligations under this lease which accrue in that fiscal year.
