Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Cape Cod Commission Departmental Schedules of Indirect Cost Rate (Schedule of Fringe and Indirect Cost Rate) Applicable to Federal and State Awards Including Massachusetts Department of Transportation Contracts (Schedules) are presented for purposes of additional analysis as required by the Massachusetts Department of Transportation and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.
