1. Clarified County being the General Contractor. Each Trade contractor is responsible for coordinating their work with the other trades. Full set of plans & specifications are available at New England Reprographics at contractor's cost.
2. Question Deadline: September 7, 2012
Bid Submission Due: 10:00 a.m. September 12, 2012
3. Question regards single product specifications. Provide 3 alternates, or performance specifications. [County later obtained Attorney General's clarification allowing single product by adding words "or equal."]

4. Boiler Room Electrical is **NOT** part of the Bid. [See Drawing E.3. Detached Lighting Plan and Detached Power Plan. Only items in the Boiler Room are not part of this Bid. Electrical Room and corridor work are part of this Bid Package.]
5. Rough Electrical to be completed by start of this week includes service and wiring to panels but nothing else.
6. P7 Panel is not part of this Bid. Young Electrical will do.
7. General Conditions and Errata do not have to be listed as Addendum to the Bid.
