MEMORANDUM

TO: Jack Yunits, County Administrator

FROM: Elaine Davis, Chief Procurement Officer

RE: Cancel Bid

Barnstable County issued a Request for Proposals on behalf of the Cape Cod Commission for assistance in the development of a coastal resiliency web application. Seven proposals were received, three of which did not comply with the bid requirements. The remaining proposals were reviewed by the evaluation committee which determined that only one proposal met the minimum requirements of the RFP, however the review committee determined that proposal would not meet the needs of the project. See attached memo from Gail Coyne, Chief Fiscal Officer, Cape Cod Commission.

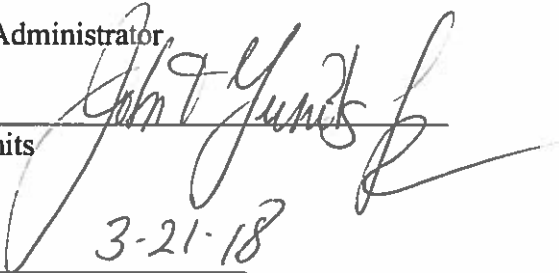

Please cancel the Request for Proposals for a Coastal Resiliency Web Application until such time that the committee can re-write the specifications.

Thank you.

County Administrator

Jack Yunits
